

INTERCOMP RACE TEAM OF THE YEAR

We are now taking entries for the Intercomp Race Team of the Year Award.

In order to be considered for this award you must run the Intercomp decal all year. We will consider teams that race hard within the rules, and also respect everyone on and off the track.

Please send entries for the Intercomp Race Team of the Year Award to kperry@uslegendcars.com

Or by mail to: U.S. Legend Cars International
5245 Highway 49 South
Harrisburg, NC 28075

Please include your contact information, and a picture of the car. The winner will be selected at the annual awards banquet, and they will receive an Intercomp air pressure gauge, tire memory pyrometer, and caster camber gauge. Thanks and have a great year!
