

Rule Bulletin #32816-1

LEGEND CAR DASHBOARD

Dashboards are required in all Legend Cars.

As per the INEX rulebook, Legend Cars are intended to remain stock as delivered by US Legend Cars International & all cars come from the factory with a dashboard.

The dashboard must be a minimum of 24" (across) X 5" (tall).
It can be made out of aluminum, steel, plastic or lexan (no carbon fiber).
The material used must be a minimum thickness of .036" & a minimum weight of .50 lbs.

Thank you for your cooperation,

INEX
