

July 16<sup>th</sup>, 2015

Your conduct at various INEX sanctioned events over the past several months is a violation of the "Participant Conduct" code on page 13 of the 2015 INEX Official Rulebook. Your actions and language are disruptive and out of order.

This rule states "INEX members, associate members and participants at INEX sanctioned events are expected to conduct themselves in a professional and non-disruptive manner. Any member, associate member, or participant who within the boundaries of the race track facility, in the sole and absolute judgment of INEX;

- Physically assaults another participant, official or other person,
- engages in unsportsmanlike conduct, or conduct detrimental to the sport of Thunder Roadster, Legends Cars or Bandolero Cars racing or,
- otherwise creates a condition or circumstances which is unsafe, unfair or out of order, shall have violated the rules of INEX and will be penalized by the INEX Director accordingly.

**Drivers ( or their designated parent or guardian if the driver is under 18 years of age ) are responsible for the conduct of their crew or anyone else associated with their team. A driver may suffer the penalties for the conduct of their crew or associates.**

For those who violate these rules and regulations INEX may take action ranging from probation to expulsion. Physical violence may be prosecuted through local, state, or federal enforcement authorities."

Furthermore, the rulebook states that "any driver, participant or official who violates the rules found within this rulebook or succeeding rules bulletins, attempts to bribe anyone connected with an INEX event, or is party to a fraud or other acts prejudicial to INEX and the good reputation of the Legend Cars Series may be penalized accordingly to the nature of the offense..."

After reviewing the circumstances surrounding the continuing situation, INEX has decided to issue you a suspension from all INEX sanctioned events for an indefinite period of time. You will not be admitted into the pit area or grandstand area of any INEX sanctioned event until further notice.

The INEX "Participant Conduct" code is at the forefront of all Legends racing; please help us maintain that standard by complying with all INEX rules and regulations and conducting yourself in a respectful manner.

Any action taken during your suspension that INEX deems inappropriate will result in additional penalties.

Sincerely,
